

## **Solara President, Tom Tessier, Invited to Present on Expert Panel Forum at SARSCENE 2010**

**WINNIPEG, MB – August 27, 2010** – Tom Tessier, President and founder of Solara Remote Data Delivery Incorporated, has accepted an invitation to participate as an expert panelist in the “Technology to the Rescue?” forum as part of the “Knowledge, Innovation and Technology in SAR” forum series at SARSCENE 2010, taking place at the Delta Centre-Ville hotel in Montreal, Canada, September 27<sup>th</sup> and 28<sup>th</sup>, 2010. The panel discussion will be taking place in Room 3 on 28 September at 10:30 AM. Mr. Tessier will be providing perspective as a manufacturer of a commercial communication and notification device.

SARSCENE 2010 is Canada’s national Search and Rescue conference and trade show, hosted by The National Search and Rescue Secretariat and the Québec Ministère de la Sécurité publique – Direction générale de la sécurité civile.

SARSCENE ([http://www.sarscene.ca/SARSCENE\\_2010\\_e.html](http://www.sarscene.ca/SARSCENE_2010_e.html)) is the largest Search and Rescue conference in Canada. The slate of events includes lectures, activities, courses and forums for the benefit of both professional and volunteer SAR practitioners. A popular event held the day before the conference is the Search and Rescue Games, where SAR groups from Canada and around the world gather in the spirit of friendly competition to match their skills for the coveted 1<sup>st</sup> Place Team title.

Attending SARSCENE for the fourth consecutive year, Solara will be exhibiting at the trade show. For the latest innovations in rugged portable GPS tracking, please come by and see us at booth number 27.
